Hanoi, 27 March 2026

ANNOUNCEMENT No1: 2026 INTERNATIONAL CONFERENCE
“Educational Leadership and Governance in the Context of Innovation and Digital Transformation:
Policy, Technology, and Human Education for Sustainable Development”

To:

On the occasion of the 50th anniversary of the establishment of the National Academy of Education Management and to contribute to educational leadership and governance in the current context of innovation and digital transformation, the National Academy of Education Management is pleased to organize an International Conference on the theme:

“Educational Leadership and Governance in the Context of Innovation and Digital Transformation:
Policy, Technology, and Human Education for Sustainable Development.”

1. Objectives of the Conference

The International Conference is organized as part of the Academy’s science and technology plan to commemorate the 50th anniversary of the National Academy of Education Management. It also serves as a key forum for academic exchange on educational leadership and governance in the context of innovation and digital transformation. The conference aims to share experiences and propose solutions across policy, technology, and human development, thereby promoting sustainable education in the new era.

2. Conference Topics

The conference will focus on the following key areas:

2.1. Educational Leadership, Governance, and Policy

- + Educational leadership in the digital era
- + Governance and autonomy in higher and general education
- + Quality assurance associated with autonomy and accountability
- + Strategic management in education systems
- + Leadership of educational organizations and change management (in the context of two-tier local government systems)
- + Development and implementation of educational policies (international comparison)
- + Transformation and reform of education systems
- + Education for sustainable development

2.2. Educational Psychology and Holistic Human Development

- + Learning psychology in the digital era (preschool, general, and higher education)
- + Mental health and well-being of learners
- + Motivation, engagement, and learning outcomes

- + Social-emotional learning
- + Teacher psychology and professional development in the new context
- + Global citizenship education
- + Equity, inclusion, and access to education
- + Future skills and lifelong learning

2.3. Digital Technology and Artificial Intelligence in Education

- + Application of AI in education (preschool, general, higher education)
- + Learning Analytics
- + Digital transformation in education and educational management
- + Online and blended learning environments
- + Innovation and development of educational technology

2.4. Language, Communication, and Education in a Global Context

- + Language education in the context of globalization
- + Intercultural communication in education
- + English-medium instruction in higher education
- + Language policy and internationalization of education

3. Language and Outputs

- + Conference languages: English and Vietnamese
- + Conference outputs: Submitted papers will be peer-reviewed, evaluated, edited, and published in the conference proceedings

4. Time, Venue, and Format

- + Time (tentative): Saturday, 26 September 2026
- + Venue (tentative): Hanoi, Vietnam
- + Format: In-person
